

Future Defence Helicopter Capability and Requirements unveiled by Central and Eastern European Nations in May, Budapest

SMi Group reports: Registration now open for Helicopter Technology Eastern Europe 2016: Eastern Europe's Most Focused and Senior Military Helicopter Meeting

BUDAPEST, HUNGARY, January 25, 2016 /EINPresswire.com/ -- SMi are proud to announce that registration is now live to attend the 2nd annual Helicopter Technology Eastern Europe conference, taking place on the 19th and 20th of May in Budapest, Hungary.

“

It will be my privilege to participate in this event. The topics of the conference are perfectly tailored to the current issues we need to solve in the Central European Armed Forces

Major General Bohuslav Dvorak, Czech Armed Forces

SMi's 2015 event was recognized for excellence by many leading defence forces in both central and Eastern Europe and hosted more senior heads of Air Force and Helicopter Commands than any other event in Europe.

Unlike other events Helicopter Technology Eastern Europe 2016 is designed to unite military helicopter procurement and technology experts with one goal, to enhance existing and future air support operation across air, land and sea.

Being the [only regionally dedicated](#) military helicopter conference in 2016 some [event highlights](#) will include: the relocation to Budapest, Hungary; senior briefings from Heads of Air Force, Helicopter Programmes and Rotary Modernisation Projects; 15 high ranking Military helicopter expert briefings and real solutions presented and offered within the exhibition area.

For further information or to register please visit the event website www.helicopters-easterneurope.com/EIN or contact James Hitchen on +44 (0) 207 827 6054 or jhitchen@smi-online.co.uk
