

# Haypi Monster: The Lost Tower 2.1.0: Magical Critters Fight against the Evil

*Haypi released an update of one of players' all-time-favorites - Haypi Monster: The Lost Tower. Version 2.1.0 is available for free download from the AppStore.*

SHANGHAI, SHANGHAI, CHINA, January 26, 2016 /EINPresswire.com/ -- [Haypi Co., Ltd.](#) released an update of one of players' all-time-favorites - Haypi Monster: [The Lost Tower](#). Now version 2.1.0 is available for free download from the AppStore. This is an amazing EDU game, a re-spin on the Pokemon theme. The newly updated contents include new features, challenges, tasks, and activities.

Haypi Monster: The Lost Tower 2.1.0 brings players to the magic world of hundreds of monsters, drawing energy from a natural or supernatural element. However, black magic brought chaos into the critters' world. The cute creatures went rogue, and terror crawled across the enchanted tower, as the critters roam it under the hypnotic influence of the evil. Brave tamers have tried their luck to capture and tame the monsters. Many powerful monsters shook away the black magic, and joined the heroes on their way up the enchanted tower. The tamers can help them develop special talents

and skills, which make the critters able to fight against the evil in the lands. Only the bravest heroes can climb up the tower, and pass all challenges!

Players' journeys are guided through series of tasks, and the new update contains many new exciting tasks and features. Now new monsters with new talents have joined the fight in Haypi Monster: The Lost Tower 2.1.0. They can be blessed with new magical talents, which can help the tamers win over the evil forces. [Communication](#) and multi-player interactions are really important in all Haypi games, because all Haypi players are a community! With the newly optimized Chat feature, Haypi Monster: The Lost Tower 2.1.0 the League chat is available for better communication. Players can interact

Haypi Monster: The Lost Tower

Haypi Monster: The Lost Tower2

better on different levels through world chat, league chats, private chats, server chats.

The improved and enriched Exploration feature is one of key optimizations in Haypi Monster: The Lost Tower 2.1.0. Exploration was temporarily deactivated, but now the improved and revised feature is back to the game. Players can indulge in it as much as they want. Now the battles of the explorers are even more exciting, as they are directly decided by attack stats in battle. Power advancement of enemy monsters has become less remarkable, because Difficulty increase formula in Exploration

Haypi Monster: The Lost Tower3

has been optimized. Locations of items available have been altered, thus the gains depend on the difficulty of the exploration. Token falls have been optimized and high-level Exploration (in levels 5, 10, 15, 20, 25, 30) will definitely lead the player to a token. However, count and variety of these tokens depend on the difficulty of the exploration. All these features have made players very excited about commanding in the magical lands of Haypi. Treasure Hunt is a completely new feature which has been added to Exploration in Haypi Monster: The Lost Tower 2.1.0. When a player finishes the first exploration, the Treasure Hunt can be accessed. Players can hunt for gems and epic scrolls on the explored land. Now players can even find scrolls for the legendary monster Earthling. This is the most wanted treasure!

Moreover, Blade Range - a whole new map has been unveiled. It is very special, and only expert mode in Blade Range is available, not including normal mode and veteran mode. Blade Range-5 Expert Mode however offers a rare treasure - Legend Fragment for Cyclopa. In Blade Range-7 Expert Mode, players will encounter epic monster Robo, and they can try to capture it! The Magic Shop now offers some rare items such Flaming Gloves and Spine, so players can buy them whenever they need them. Apart from that, another exciting feature is renewed in Haypi Monster: The Lost Tower 2.1.0 - the League Chest!

Haypi Monster: The Lost Tower 2.1.0 is an amazing EDU game, which is free and available for download from the AppStore. Players of any age or walks of life enjoy the game. People are welcome on a spiritual journey to find the heroes living within them.
