

Italian Air Force to unveil their Military Space Situational Awareness Strategy for the 21st Century

SMi Reports (26.01.2016, London, UK): Italian Air Forces will be speaking at the SMi's Military Space Situational Awareness 2016 in London

LONDON, UNITED KINGDOM, January 26, 2016 /EINPresswire.com/ -- SMi are delighted to announce Colonel Piero Serra, Chief of Air and Space Policy, Italian Air Force, will be speaking on Day One of the Military Space Situational Awareness Conference. His unique presentation entitled "Italian Military Space Situational Awareness Strategy for the 21st Century", will review the SSA capability of the Italian Armed Forces, assets available to the Italian Armed Forces in Space and how these can be enhanced and further collaboration with industry to maximise SSA for future Italian operations.

Military Space Situational Awareness

2016 will bring together Military Space users and private industry specialists from around the world to discuss the challenges of gathering information in space and how they can be overcome through intimate cooperation and research and development.
