

Market-leading Façade Design and Engineering Middle East Summit returning to Doha, Qatar, in February

DOHA, DOHA, QATAR, January 27, 2016 /EINPresswire.com/ -- The 8th Annual Façade Design and Engineering Middle East conference is taking place from 21-23 February 2016 in Doha, Qatar, to enable architects and design consultants to discuss key upcoming projects whilst illustrating innovative solutions to façade design and engineering.

www.facadedesignmena.com/news

With many projects being announced in Qatar and the GCC, and a few nearing completion, there is focus on creating iconic landmark buildings at the forefront of innovative designs, which are also top-class in façades functionality, sustainability and efficiency. Stakeholders at the 8th Annual Façade Design and Engineering Middle East conference will discuss key challenges and materials required revolving to complete these projects.

Distinguished speakers include:

- Yausif Albaker, Principal, Albaker Architects
- Dr. Nasser B. Abulhasan, Principal, AGI Architects
- Matt Kitson, Regional Director - Qatar, Hilson Moran
- Dalal Farhat Harb, Head of Design Studio, Project Director, Arab Engineering Bureau
- Agnes Koltay, Director, Koltay Façades
- Ivar Krasinski, Design Director, L&B Design Group | EDGE
- And many more...

The 8th Annual Façade Design and Engineering Summit will include practical case studies, technical presentations, interactive workshops and a dedicated focus day on Façade Fire Safety. Hear from award-winning architectural firms such as Albaker Architects, SOM, AGI Architects, Koltay Façades, EC Harris, Arab Engineering Bureau, Meinhardt, CEG International, Hilson Moran and many more!
