*Getting the proper amount of sleep is number 1 in keeping good health, so keep your New Years Resolution of good Health for 2016 by protecting your hearing!*

CULVER CITY, CA - CALIFORNIA, UNITED STATES, January 28, 2016 /EINPresswire.com/ -- Innerpeace Ventures Announces the Release of Its Chill Box Earplugs

Culver City, CA - January 21, 2016 – Innerpeace Ventures is proud to announce the release of its new innovative Chill Box. The Chill Box Earplugs is designed to suppress all sounds and protects hearing at noisy

events while staying lightweight, comfortable and easy to roll. The earplugs are special designs great for dorm setting, blocking out noisy parties and roommates and are perfect for sleeping, room and library studying.

Getting the proper amount of sleep is a great factor in keeping good health, and with this the Moldex Meteor earplugs have the highest NRR (noise reduction rating) available. Having an NRR of 33, the Chill Box earplugs are lightweight, soft and comfortable. They are great for loud environments such as concerts, gun ranges, dormitories and more.

Moldex Chill Box has received great and positive reviews which shows its great value; below is just one from a couple of reviews by users, “The Chill Box has matched all my needs. I needed an earplug which was durable, comfortable and which would stick in my ear without falling out. This product satisfied all of these. It molds to my ear shape as soon as I put it in and are very comfortable. Not only that, but it does a terrific job at blocking out sound. I live in a noisy environment where it is very hard for me to sleep in, but since buying this product those issues have evaporated. I have also found that the pocketsize earplug carrier has been extremely helpful for preserving my each pair. Overall I love the earplugs and very happy with this purchase!” said Lauren Cross, an Amazon customer.

The Chill Box has highest decibel protection of NRR 33 with 20 pairs of Moldex premium soft foam earplugs in reusable cube container and handy gem pack which allows the earplugs to easily adapts to the shape of the user’s auricle and also grants excellent retention within the natural shape of the ear.

Keep the New Year resolution of good health by using the Chill Box as protecting the hearing is surely guaranteed.
