

French Joint Space Command, DGA to discuss Pan-European SSA network at Military Space Situational Awareness 2016

The French Joint Space Command will be speaking at SMI's Military Space Situational Awareness conference which takes place on the 18th-19th April in London.

LONDON, UNITED KINGDOM, January 28, 2016 /EINPresswire.com/ -- SMI are delighted to announce Ms. Monique Moury, Head of Operational Flight Dynamics Entity, CNES – Centre National d'Etudes Spatiales, and Colonel Franck Schrottenloher, Commander, Environmental Control Office, French Joint Space Command, DGA will be among this year's speakers at the Military Space Situational Awareness Conference.

Military Space Situational Awareness 2016 will bring together Military Space users and private industry specialists from around the world to discuss the

challenges of gathering information in space and how they can be overcome through intimate cooperation and research and development.

On Day One Ms. Monique Moury will speak on "CNES Role in French Space Surveillance". Highlights from the talk include: Space debris mitigation; French Space Act, French organisation; Operational Activities and Focus on Collision Avoidance
