

MoverZfax.com consumer protection launches its new and improved rating system for all Movers in North America.

The new Safe way in choosing your moving company based on actual facts offered in MoverZfax.com

GAITHERSBURG, MARYLAND, USA, January 29, 2016 /EINPresswire.com/ -- Moving industry watchdog and publisher of the popular consumer reviews and comparison site, [Moverzfax.com](http://www.moverzfax.com) has announced to launch its anticipated proprietary rating system of movers all across America. The report is composed of data and facts about each and individuals movers registered at the United States Department of Transportation. All reviews taken from various site across the net will populate the report and provide a detailed grade about performance, reliability and ethical practices of each moving company operating in North America. Please visit or click the following <http://www.moverzfax.com>

Moving Company reputation report

With this new rating system, each customer ordering the report will review information based on the Better Business Bureau grading parameters, the American Moving and Storage association affiliation, all reviews website, including but not limited to; yelp.com, angieslist.com, kudzu.com, insiderpages.com, mymovingreviews.com, moverssearchandreviews.com, moversreviews.com and many more that allows customers alike to get an overview of the moving company's operating and ethical procedures on the open market. Moreover, the customer will be able to order report and send it to loved ones who are not tech savvy when ordering reports from Moverzfax.com prior to selecting a moving company.

Moverzfax.com is providing a piece of mind to consumers when it comes to selecting the moving company of their choice. With over 16000 household good movers navigating in the US market and around 36.3% of them operates unethically, it is a must to provide tools to consumers in this industry. For the mere price of \$5 dollars per report per moving company, the information is generated by their USDOT license information, and based on that accurate data, key information is added throughout the report when it comes to its reviews and association alike. Do not be fooled with imitation of

Moverzfax.com. There is ONLY one site that provides accurate data such as found on Moverzfax.com

Other creative and unique options such as [Special Moving Task Force](#) (SMTF) also come into play. If for any reason, some issues arise during your move, SMTF can help you through this ordeal. You will be put in contact with a legal team that will help you through the legal process to recover all your belongings. All efforts seems to be focused on protecting the consumer at that point.

If you are looking to make your moving experience as safe and economical as possible, the choice is obvious. Choose MoverZfax.com prior to selecting your moving company. When contacted by the moving company, you can always ask: SHOW ME THE MOVERZFAX report. You'll be glad you did! Moverzfax.com is found on major social media sites such as, Facebook, Twitter, Linkedin and many more.

About Moverzfax.com

A website that provides full detailed report about each movers displaying all information that is not so readily available on the Net because of lack of publication of these Federal and State websites. MoverZfax.com does this research for the customer and compiles all that data into a simple to read report. No more guessing, and no more wondering. The information is right there, just for the price of one beer (\$5).

Wouldn't you invest \$5 dollars to choose the right moving company based on existing facts that many can't find anywhere on the net prior to selecting their mover? MoverZfax has thought of it all. The site also offers the feature that if you do need to post a moving job, ONLY certified and accredited movers will respond, who have a GPA of above 85%. This should certainly eliminate all rogue movers from responding to your moving request.
