

NATIONAL DIABETES PREVENTION PROGRAM

ENDOCRINE TECHNOLOGY, L.L.C. OFFERS C.D.C. RECOGNIZED NATIONAL DIABETES PREVENTION PROGRAM

BROOKLYN, NY, KING, February 2, 2016 /EINPresswire.com/ -- Endocrine Technology, L.L.C. is delighted to announce its partnership with Center for Disease Control (C.D.C.) to offer "National Diabetes Prevention Program".

We all know that a lifetime of healthy eating helps to prevent chronic diseases like Type 2 Diabetes, obesity, heart disease and high blood pressure, These diseases come at high risk and high cost. CDC has shown through extensive research that consumers at risk of developing diabetes can be identified and through its life style coaching program of one year, the risk can be reduced by 50 %.

Endocrine Technology, L.L.C. is a Biotechnology Company that is detailed at www.etbondusa.com we are deeply committed to the advances in therapy of diabetes from prevention to cure. We offer state of the art diabetes consultancy services in Downtown Brooklyn at 326 Livingston Street, Brooklyn, NY 11217. Our Telephone number is 718-222-1065 and email is etbond@gmail.com.

We offer onsite National Diabetes Prevention Program of one year at our clinic through prior appointments. The online program is offered through our website registration at www.etdiabetescenter.com. Initially, the online consultancy is offered through telephone, email and electronic healthcare system by prior appointments covering USA. In future, the program will be offered through video conferencing system.

The entire one-year program is designed to offer personalized life style coaching as defined by CDC. The program will cover nutrition, diet advice, healthy living, exercise program along with specific tips and medical consultancy. We encourage you to join us in this adventure and be our partner in this National Adventure to reduce the future risk of diabetes and its cost of complications. We accept most insurance and will offer flexible affordable personal cost program.

To help improve the quality of the program and extend our reach IN BOTH USA AND INDIA we invite partnership proposals form life style stack holders including hospitals, group practices, insurance companies, employers and digital wellness equipment vendors.
