

# Military/Veteran Friendly Real Estate Agent Is NARs First Ever 'Military and Veteran Housing Certificate' Recipient

LAS VEGAS, NEVADA, USA, February 6, 2016 /EINPresswire.com/ -- Keller Williams Southern Nevada REALTOR® Mark 'IZZY' Israelitt knows first-hand about military life, with 5 decades of military life experience.

A 'military brat', IZZY joined the Air Force Reserves and retired from active duty as a full Colonel, across 4 decades of military service. His life/career spanned the globe—including frequent moves, flying as a 'Hurricane Hunter' and retiring as the Director of the U.S. Air Force (USAF) Liaison Office to the Department of Energy (DOE), where he worked on program activities across the USAF's Nevada Test & Training Range (NTTR) and Tonopah Test Range (TTR) & DOE's Nevada Test Site (now the 'Nevada National Security Site').

Today, IZZY enjoys continued service within the military & veteran community. A National Association of REALTORS® (NAR) licensed REALTOR®, IZZY also maintains professional standing in the Veterans Association of Real Estate Professionals (VAREP), holds the Military Relocation Professional (MRP) designation and actually received the NAR's first ever 'Military and Veteran Housing Certificate' (MVHC) on February 2nd, 2016.

No other REALTOR® currently holds his same training and first-hand experience utilizing veteran benefits. IZZY understands the nuances and intricacies of working through the VA Guaranteed Home Loan process better than all

others.

Service members/veterans seeking real estate assistance should understand IZZY was a “professionally certified Master Navigator, with repeated Instructor/Evaluator credentials, across multiple weapon systems—so, he’s extremely qualified to guide, instruct and evaluate planning/execution of all sorts of missions” guiding clients seamlessly from Point A to Point Z.

With ~3,000 hours of actual flight experience, IZZY’s a seasoned veteran of countless missions with hazardous weather and other threats; always responding ‘calm and cool’ under-pressure, especially during critical situations/in-flight emergencies—when lives/success actually depended upon his inputs. Today, IZZY guides clients with the same seasoned judgment/insight in real estate transactions—providing informed recommendations to support effective client decision-making, because client lives/success depend upon his service. At the end of the day: IZZY provides the kind of representation you really want/need from your REALTOR®!

If you (or anyone else) are a military service member/veteran “looking to Buy, Sell, or Lease”—Ask for IZZY! He’s the REALTOR® you want guiding you in Southern Nevada [or referring you to ‘like-minded’ Military/Veteran Professionals (MVP’s) elsewhere]. It’s IZZY’s way of continued service to military/veterans.
