

Retail Managers: Learn Retail Math & Analytics

New seminar on March 17-18 in Miami

BARRIE, ON, CANADA, February 8, 2016 /EINPresswire.com/ -- Leading retail management consulting and training company, DMSRetail will present their new seminar, "Retail Math & Analytics" on March 17-18 in Miami FL, US.

The only seminar of its kind, "Retail Math & Analytics" was designed to help retail managers overcome the most challenging issues in retail business.

The two-day educational and motivational program will address critical issues for retail managers: what to measure, how to measure, KPI's, balanced score cards and retail analytics around the most important business activities.

DMSRetail is well known around the world with their innovative approach to retail success and has been serving retail managers and entrepreneurs since 1991. DMSRetail has published numerous books and courses on Retail Productivity and has a strong following in 28 countries.

"Retail Math & Analytics" will take place on March 17-18 from 9:00 AM to 4:00 PM at The Westin Colonnade, Coral Gables, FL.

The cost is \$1,495 (\$1,295 for groups of 3 or more from the same company), including lunch, workbook, and a special gift.
