

# ONEm welcomes Channel Philippines Network (Pinoy Radio Group) to its growing Mobile Ecosystem

LONDON, UNITED KINGDOM, February 9, 2016 /EINPresswire.com/ -- ONEm Communications, the company revolutionizing the communications and services landscape, is pleased to welcome Channel Philippines Network (Pinoy Radio Group) to its ever-growing mobile ecosystem.

We are truly excited about this alliance with ONEm. We are looking forward to serving our countrymen more through ONEm's revolutionary platform.

*Sonny Laragan, Managing Director of CPN*

ONEm is a B2B service for Mobile Operators. ONEm provides Mobile Operators a growing number of voice and SMS based services which transforms the traditional mobile user experience from simple Voice and SMS closer to what people experience on the Internet. ONEm is bringing the beauty of the internet to all mobile devices just through SMS and voice.

"As we are a pioneering radio network for Filipinos in Europe, and globally, we are truly excited about this alliance with ONEm," says Sonny Laragan, Managing Director of Channel

Philippines Network. "We are looking forward to serving our countrymen more through ONEm's revolutionary platform."

"We are proud to partner with Channel Philippines Network (Pinoy Radio Group)," states Christopher Richardson, CEO of ONEm Communications. "We are eager to reach out to the global Filipino community with valuable services that reflect and cater to their friendly social nature. The Philippines is a very important country ranking seventh-most populous in Asia and 12th most populous in the world with more than 12 million Filipinos overseas. We see ONEm as a really valuable asset to Filipinos everywhere and the Pinoy Radio Group of Channel Philippines Network will be a strong partner of this asset."

ONEm provides a fast way to introduce innovation with ready services that are easy to use and works over a Private Global Platform.

ONEm will be announcing Partnerships at the biggest telecom event, Mobile World Congress (MWC) in Barcelona. As key sponsors of the MWC, ONEm will have a large presence including the GSMA Conference Village and Media Village. ONEm will be hosting a Theatre event and inviting all partners.

About Channel Philippines Network (Pinoy Radio Group)

Channel Philippines Network is the largest Filipino radio network outside the Philippines. Its main objective is to entertain, promote and share Filipino culture. The station plays Original Pilipino Music (OPM) from the 60's to current hits, 24 hours a day, 7 days a week. It is also a source of news and

information about what is happening in the Philippines and for Filipinos around the world. The network also features chat/talk programs, community news/events and Embassy news/updates and outreach programs.

#### About ONEm

ONEm sees itself as a friendly global innovator for the benefit of Network Mobile Operators to further their reach with global community services that work over their voice and SMS networks.

ONEm is a company focused on developing an ecosystem that enables these assets to reach their true potential.

In the face of relentless internet innovation, ONEm sees an opportunity to provide mobile operators with a new channel that is complementary to their existing business.

ONEm creates a new user experience by bringing to ordinary mobiles a capability to date only enjoyed by internet enabled devices.
