Velofix CEO & Co-Founder Chris Guillemet says, "It was an easy decision to continue sponsoring Jeff. We look forward to watching Jeff "Get Ugly" in 2016."

Symonds comments, "I am thrilled to continue on with Velofix! The teams behind every Mobile Shop are all incredibly passionate about the sport and take great pride in what they do. I can now confidently go to over 40+ locations for racing and training, including Kona, Hawaii for the Ironman World Championship, and rest assured knowing my bike will receive a proper tune."

Symonds continues, "It is extremely convenient to be able to book online, have the Mobile Shop roll up outside the house, and have the work done right there.
