BRISBANE, QUEENSLAND, AUSTRALIA, February 15, 2016 /EINPresswire.com/ -- Recently Richard Branson was in the news... While in the Cayman Islands he went into a shop to buy his wife Joan a gift where he ran into a glass door which ended in him requiring three stitches (sutures) and also he was attached by a stingray...Which led me to investigate, and while doing so I came across a post Richard had posted on his Facebook about him first meeting Joan Templeman his now wife which happened 40 years ago and how it was "Love At First Sight" This interested Me... So I searched out the Code to their first meeting... Which I found Intriguing...This set Me on a cause to search out more information on their beginnings...When Richard first met Joan she was happily married to Keyboard player Ronnie Leahy for about 12 years they were childhood sweethearts...I also reveal Ronnie's Code to that same day! Richard pursued Joan relentlessly until she succumbed to his advances, they later had children and married I reveal the Code to Holly their daughter's birth from her father Richard... Surprisingly the Code from Richard to Holly this was the same Code that Ronnie had...Then I also reveal Code info concerning Richard and Joan's marriage. You can visit My extensive Website to see their Codes and more...<http://www.thehadassahcode.com/>
