

Registration Now Live for SMI's 2nd annual conference on Future Armoured Vehicles Eastern Europe

Returning to Prague on the 17th and 18th of May, this conference is Eastern Europe's most focused and senior armoured vehicles meeting.

LONDON, UK, UNITED KINGDOM, February 16, 2016 /EINPresswire.com/ -- What's new in 2016?

Attendees of Future Armoured Vehicles Eastern Europe 2016 will cover the whole value chain of the armoured vehicle equipment market. The speakers and invited participants will be carefully selected to bring together those with active requirements for armoured vehicles and will ensure that as well as military leaders, the OEMS and prime contractors participate. We will also make sure that the very latest technology innovators will be present to share their ground breaking equipment with a captive audience all looking to advance their combat vehicle programmes.

Secure your place today and save £400! Simply visit

Future Armoured Vehicles Eastern Europe
17th - 18th May 2016, Prague, Czech Republic

BENEFITS OF ATTENDING

- Launch new products or services at Future Armoured Vehicles Eastern Europe 2016
- Educate the market on your company's capability and make the business case for how they can solve your potential customer's challenges and requirements
- Build your brand so your solutions are front of mind when your prospects are putting potential solution providers on their short list
- Meet and network with active buyers while there is still a chance to influence their purchase decision
- Generate new leads through meeting new prospects from a variety of new countries and programmes
- Learn how to do business in Eastern Europe from procurement and high level military decision makers

This dynamic, two-day conference will provide valuable insights to all of the above and more. Download your complimentary conference brochure today or visit our website www.futurearmouredvehicles.com/ein for the latest agenda.
