

## Launch of DCDB Services.

---

*DCDB Group, a full range provider of consultancy services related to international business transactions, announces the launch DCDB Services.*

MIAMI, FLORIDA, USA, February 16, 2016 /EINPresswire.com/ -- DCDB Services is comprised of Accounting, Tax & Audit divisions, and concentrates on serving markets in the US and Argentina . DCDB Services has offices in Miami, Florida, Washington, DC, and Buenos Aires, Argentina.

Recent market research including surveys, focus groups, and interviews demonstrates an increased demand for accounting, tax, and audit services among international clients conducting business within the United States. A large portion of this currently underserved clientele demands services related to FATCA/FBAR compliance, corporate tax, Internal Revenue Service Amnesty Program, information technology & financial audits (GAAS) and US financial statements (GAAP) matters. These clients require local and personalized service from an expert US Accountant in Argentina to demystify and successfully navigate the complexity of US accounting, tax and audit rules and regulations. DCDB Services will provide a comprehensive solution to meet these needs.

DCDB Services is led by Cason Benham, a former Big 4 auditor with over 10 years of combined experience in public accounting and information technology services. His experience includes services to regulated banks and publicly traded companies, expanding across many industries, including corporate, banking, technology and health care. He provides tax, audit and accounting services to individuals and businesses, relating to tax matters within the United States.

DCDB Services is available to discuss collaborations and share insights on US Accounting, Tax & Audit matters, as they relate to domestic and international companies.
