

AV Situational Awareness Attendee List Released Featuring BAE Systems, General Dynamics, Nexter and Thales

The only dedicated event on armoured vehicle C4i attracts major key players from the defence industry when it arrives to London next month

LONDON, ENGLAND, UNITED KINGDOM, February 17, 2016 /EINPresswire.com/ -- SMI's Group are excited to announce that an [attendee list](#) has been released for the [next show](#) in its portfolio of successful armoured vehicle events "Future Armoured Vehicles Situational Awareness" taking place on 16th and 17th March in Central London.

Big names such as BAE Systems, General Dynamics, Harris, Nexter, QinetiQ and Thales have all signed up. With still a month to go, the event is set to sell out.

As well as attracting an international audience and having support from the UK Military through keynote addresses, Future Armoured Vehicles Situational Awareness 2016 will include a dedicated spotlight on the Nordic regions with four exclusive presentations on key military programmes delivered by the Danish Army, Norwegian Defence Logistics Organisation, Swedish Army and Norwegian Armed Forces.

Other speakers include: US Army, NATO, Thales, General Dynamics Mission Systems, Rheinmetall and Selex ES.

Will you be joining the *only* dedicated conference on armoured vehicle communications, situational awareness and systems integration?
