

'Birthright:' comes to life on big screen

Author T.J. Pulley to discuss prospect of seeing Christian fictional novel, "Birthright," adapted to film.

FISHERS, IND., UNITED STATES, February 23, 2016 /EINPresswire.com/ -- FISHERS, Ind. — Author T.J. Pulley is set to convene with a professional screenwriter to discuss the prospect of seeing his Christian fictional novel, "[Birthright](#)," adapted to film.

Pulley is thrilled of the prospect of seeing his book come to life and expressed his vision for the film, stating, "The opening scene will undoubtedly catch everyone's attention – a horrible accident, paramedics on the scene, and Orion beginning his journey in a hospital. I see great actors and actresses in an authentic setting and really conveying their connection to each other. At the end I see people feeling like they went on the journey with Orion."

"Birthright" is ultimately a novel centering on legacy, faith, and boundaries. At the core of the book's plot is a story of understanding one's self and discovering what one can do. It has a sci-fi twist and a comic book element to it with themes gyrating on familial relationships, love, action, plausible truth, historical Bible integration, and a few other things for everyone.

Published by [Tate Publishing](#) and Enterprises, the book is available through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Pulley was born in Chicago on July 10, 1987. By age 11 he had only read two books –the dictionary and the Bible. He later became interested in mystery novels and comics and prompted him to begin a new journey of creativity. T.J. is married to Ashlie, they both live in Indianapolis, Indiana. The author has a passion for youth ministry and has served in several ministerial capacities. Writing is his passion, but that is surpassed by his love for people.
