

Mon Valley Integration Expands Services with New Division and Leadership

MORGANTOWN, WV, UNITED STATES, February 22, 2016 /EINPresswire.com/ -- James Lunden, member/manager of Mon Valley Integration LLC (MVI) is pleased to announce the creation of a new business unit, The MVI Motion Group, located in Cincinnati, Ohio. The expansion will add expertise to MVI's resume of professional electrical engineering services in the specialized areas of high performance coordinated [electric motor drives](#) and motion control. This group will target applications in the food and beverage, manufacturing, mining, energy and utility market sectors.

Dennis Bradley, PMP, P.E., will manage The MVI Motion Group. Bradley received his undergraduate degree in electrical engineering from the U.S. Military Academy at West Point, N.Y. He served in the U.S. Army Corps of Engineers for seven years at both home and abroad, eventually attaining the rank of captain. Bradley has been continuously employed in the electrical manufacturing industry for over 27 years. Bradley's specialties are in the control of electric and [hydraulic driven motion](#), AC/DC motors and motor drive systems.

"Dennis brings a combination of both deep technical knowledge and practical experience that is extremely rare in this industry," said Lunden. "I am certain that all of our customers and business associates will benefit greatly by his presence."

Mon Valley Integration LLC is a leading electrical engineering systems integration and construction firm that serves markets in West Virginia, Pennsylvania, Ohio, Virginia, Kentucky, and Illinois. www.mvi.bz
