

Deschutes Brewery Announces 2016 Street Pub Tour

Crafted for Community: Oregon brewery brings pub experience to select cities across the United States – all for charity

BEND, OREGON, USA, February 23, 2016

/EINPresswire.com/ -- The ultimate block party is back! Deschutes Brewery is packing up its pub of epic proportions and bringing it to select cities across the United States for the second annual [Street Pub](#) tour. Can't make it to Oregon to visit one of the brewery's popular public houses in Bend or Portland? This traveling show brings the pub experience - on which Deschutes was founded – direct to fans with a ginormous, transportable bar that was handcrafted in Central Oregon. In each city, the brewery will partner with a local charity and donate 100 percent of proceeds to help that charity achieve its mission.

“The inaugural year of our Street Pub was successful beyond anything we dreamed,” said Field Marketing Manager, Joey Pleich. “Not only were we able to bring a little bit of the Deschutes ‘pub experience’ to fans around the nation, but we also raised a significant

amount of money for our partner charities in each city.” Deschutes Brewery’s Street Pub visited seven cities in 2015, served close to 900 kegs of beer to an estimated 60,000 beer fans who turned out to drink and raised nearly \$400,000 for charity. Check out the wrap up here:

Adding to the pub experience, Deschutes Brewery’s corporate executive chef will be teaming up with local chefs in each city to create some fantastic food pairings. The Street Pub is family friendly, with kids’ activities and live, local music at each stop.
