

TraceGains' Releases Schedule for FSMA Club Webinar Series

Free Training Offered for Food Safety Professionals

DENVER, CO, USA, February 23, 2016 /EINPresswire.com/ -- [TraceGains](#), the leading Food Safety and Quality Assurance (FSQA) software solution for food and consumer packaged goods (CPG) companies, released the schedule for its ongoing series of "FSMA Club" webinars. The monthly webinars feature FDA attorney and university professor [Marc Sanchez, Esq.](#) as he explains the steps necessary to comply with the Food Safety Modernization Act (FSMA).

"Each month the FSMA Club audience continues to grow because FSQA professionals have come to rely on TraceGains and Marc Sanchez as their trusted advisors for unbiased information on FSMA requirements," said TraceGains' CEO Gary Nowacki. "Our sessions start with Marc breaking down specific FSMA rules into more manageable pieces and then we follow it up with a robust Q&A period so the audience can get answers to their most pressing FSMA questions."

TraceGains' FSMA Club Webinar Series:

Feb. 25 – Preventative Controls for Animal Food Are No Joke, 10:00 a.m. MDT

Mar. 18 – What You Need to Know About Allergens & Adulteration, 10:00 a.m. MDT

Apr. 21 – Sanitize This! - Sanitary Transportation of Food, 10:00 a.m. MDT

Registration for TraceGains' FSMA Club events is available free of charge at www.tracegains.com/events.

TraceGains has already hosted three FSMA Club webinars which focused on: 1) Preventative

FSMA Club Monthly Webinar Series

Controls for the Human Food; 2); the Foreign Supplier Verification Rule; and, 3) a general overview of FSMA. Those webinars are available on-demand on the TraceGains website along with other essential FSMA compliance resources www.tracegains.com/fsma.

About TraceGains

TraceGains' cloud-based SAAS solution provides food and CPG companies with an integrated quality, supplier, compliance, and regulatory document management system that eases compliance with FSMA, GFSI, and HACCP. By automating, innovating, and streamlining Food Safety and Quality Assurance, TraceGains' customers are 365 Audit Ready™ and the system typically pays for itself in only four to six months.
