

MEDUSA - A SHEER SKY

Album launch supporting and raising awareness for Alzheimer's Australia Dementia Research Foundation.

MELBOURNE, VICTORIA, AUSTRALIA,
February 26, 2016 /EINPresswire.com/ --
You are cordially invited to witness the
launch of an exciting new, original
Australian Indie Pop / Rock band....

Spawned from the influences of Joan
Armatrading, Pat Benatar, Florence
Welch and Kim Wilde comes a new
creature releasing a fresh vibrant sound
into the indie pop rock
sphere...MEDUSA.

Born through love and understanding the
imperfections of one's self and through
relationships both joyous and painful,
MEDUSA reinvigorates what it means to
be a unique voice, a freak in a world of
banality, a raging fire in the smouldering
ashes of popular culture.

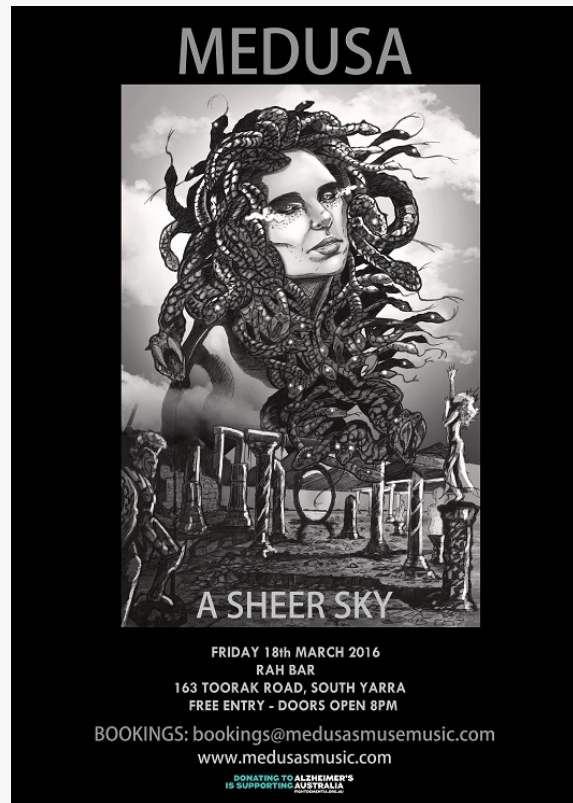

MEDUSA will launch her first solo album
A SHEER SKY on 18th March 2016 at
the RAH BAR in South Yarra. Supporting
and raising awareness for Alzheimer's
Australia Dementia Research
Foundation.

MEDUSA gives a voice to those who
have none, with stories and words that
will touch your soul and linger long after
the final note has played.

For a sneak preview of the band in
action, please visit their website and witness their first official video clip for "Get Me Out", raising
funds and awareness for Alzheimer's Australia Dementia Research Foundation.

Medusa Rising

Medusa's Ouroboros

From darkness comes light
and from the illusion of beauty is born
Medusa.
Fire, and ice and warmth and compassion,
humanely honest and vulnerable, yet mysterious.
To hear her songs, and listen to her lyrics is to understand
The world anew, fresh and filled with love.
Join her emotional ride on the rocking roller coaster of life's discovery
As she bravely and soulfully expresses the fear, sorrow, rage
And the joy of relationships and accepting yourself as a human being
And like the Ouroboros,
Eternally changing
Forever reborn
