

Flippers Pizzeria Prepares for Another Increase in Spring Visitors

The Orlando pizza restaurant has been keeping hungry spring visitors happy for decades.

ORLANDO, FL, USA, February 25, 2016 / EINPresswire.com/ -- Routinely ranked as one of the [best pizza places](#) in Central Florida, Flippers Pizzeria has been serving both residents and tourists alike for nearly 30 years.

Over the course of many decades of pizza making, the Florida pizza restaurant has grown to fourteen locations throughout the region (with two more opening later this year). As the brand continues to grow, it has successfully retained its charming, authentic personality, supported by a true passion for fresh ingredients and customer service. Most importantly, Flippers Pizzeria has perfected the fine balance of acquiring both loyal local residents and globe-trotting tourists, who often include Flippers Pizzeria as a "must-visit" in their busy vacation schedules—amongst some of the world's most acclaimed theme parks and attractions.

"We treat all of our customers like family," said Kelly Pfister, Marketing Director at Flippers Pizzeria. "It makes a difference because we have some customers from across the country and around the world who've been visiting us since our very first restaurant opened in 1987."

According to Visit Orlando, more than 62 million people visited Orlando in 2014 (2015 records still haven't been calculated), making it the most visited destination in the nation. It's a popular destination for snowbirds looking to escape the northern chill. Some stay for a while, others visit for a just a short time. No matter their length of stay, Flippers Pizzeria is ready for their visit.

Ben Richardson, VP of Operations at Flippers Pizzeria, ensures a satisfying visit. "We're known for the freshest, most flavorful pizza in town," said Richardson. "But we're also known for our great customer service—warm, friendly faces who truly care about your experience."

Richardson reminds spring visitors that they can dine-in at any of Flippers Pizzeria's comfortable restaurants, carry out, order online, or conveniently have their order delivered to their home, hotel, or resort. Catering options are also available.

"We have catering options designed to serve groups," said Pfister. "Our freshly made platters make hosting and determining portion sizes easy, and we even offer all-inclusive 'per-person' menus if requested. All-inclusive 'per-person' menus allow our customers to easily predict exact serving sizes for a specific number of guests."

Also of note this spring is the pizzeria's participation in the Arnold Palmer Invitational Presented by MasterCard. According to Pfister, Flippers will be donating fresh pizza off the [pizzeria menu](#) to the hundreds of helpful volunteers at this year's event. "It will total approximately 500 MyPies, and we'll also be making a donation to the Kid's Clinic," said Pfister. "Donating to the Invitational
