Donna Siebrasse, is a Partner of the well known Communications and Public Relations firm in Panama, Sanchiz, Siebrasse & Asociados SA.

PANAMA, PANAMA, PANAMA, February 26, 2016 /EINPresswire.com/ -- Donna Siebrasse, Partner of the well known Communications and Public Relations firm in Panama, Sanchiz, Siebrasse & Asociados SA with more than 30 years of experience in the national and international markets was elected on February 25th, as new President of the Board of Directors of the World Trade Center Panama (WTC) organization.

The World Trade Center Panama Complex is centrally located within the financial district and gives easy access to many local amenities. It's been built in 1996 with the highest standards of design and construction and is monumental in its structure. It is also one of the few buildings in Panama City that complies with the US Fire Code and provides high security to tenants and visitors.

It consists of 2 towers and a commercial area. The primary tower contains 20 floors with 84 Class A Offices and offer to all its users and visitors all the facilities they require in one convenient location in Panamas financial district, where a number of amenities such as restaurants, banks, and commercial plazas can be found.

The Commercial Area connects the Office Tower with the Hotel and Casino. It is a three story area featuring Regus, restaurants, clothing store, full service bank branch & other amenities and offers over 10 thousand square meters (almost 110.000 square feet) of commercial and retail space in its podium.

The World Trade Center Panama has been able to attract a mix of high profile tenants, smaller independent retail, and food and beverage operations. The Mercure Hotel which contains the Grand Casino Marbella is part of the World Trade Center Panama Complex. With over 112 luxurious and modern rooms they offer 16 exclusive suites with a comfortable working area, a wide range of hosting solutions, events, services and unique benefits. The Hotel has spaces for business meetings, conferences and seminars, social space, as well as space for diplomatic and WTC Panama services functions and they offer a spa club and a swimming pool.

WTC Panama Complex is a business center and open 24 hours, which means that security is an important element. The Complex is one of the few buildings within Panama City that complies with the US Fire Code and provides high security to tenants and visitors. The Complex is considered to be one of the well-constructed buildings in Panama and contributes to the image of Panama City as a trade hub and regional financial center.

With an occupancy rate of 97% WTC Panama is one of the leading real estate complexes in Panama. Mr. Remy Swaab is its Executive Director and General Manager. For more information about WTC PANAMA please write to: info@wtcpanama.org.
