

## Chef Remi Launches Barbeque Grill Mat

*Chef Remi, maker of Amazon's number 1 cooking thermometer, has launched some barbecue grill mats that are changing the way people grill.*

MINNEAPOLIS, MINNESOTA, UNITED STATES, February 27, 2016

/EINPresswire.com/ -- The Chef Remi [Barbecue grill mat](#) is a non-stick grilling accessory designed to facilitate evenly grilled food and prevent food from falling through the grates.

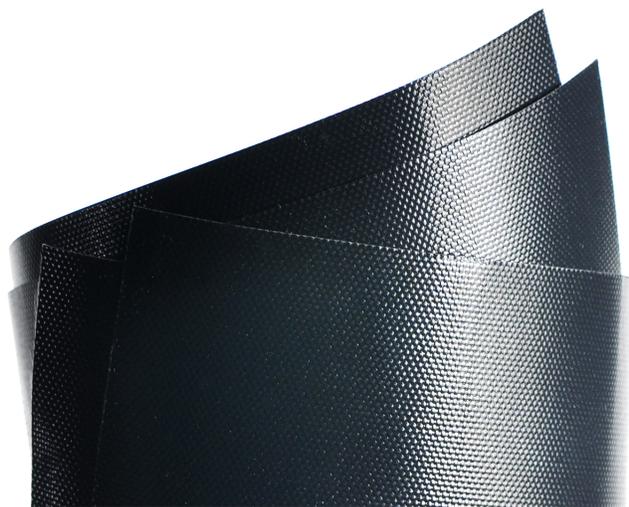

Individuals who are keen on mastering the art of grilling have an ally in this new product, which is made from technologically advanced heat resistant materials that can withstand temperatures of 500°F.

The Chef Remi Grill mats are quite versatile. They can be used on gas, charcoal, camp, drum, barrel, smoker, trailer and even Pit grills and grates. The mats are sold in a set of 2, and with dimensions of 16"x13", they can fit almost any size grill. Best of all, they can be easily cut to match smaller-sized grills.

But it's not just about helping cooks to prepare evenly grilled food or prevent food from falling through the grates. The Chef Remi Barbecue grill mats make the grilling process an enjoyable one from start to finish. Although the mats act as a barrier between the flame and the food, grill marks and flavors are still left intact.

They keep grill plates clean, are easy to clean and dishwasher safe.

Chef Remi has built an excellent reputation for fine quality cooking products with their cooking thermometer. Now, customers are raving about their new barbecue grill mats. Samantha said: "Chef Remi has impressed me once again! I love my new BBQ grill mats. I used to have a gas grill, now I live in an apartment and struggle with a little bitty ole charcoal grill. It has not much in the way of room, and I can tell you up until last night I could

not grill a single vegetable without burning it or losing it. I just cut the Chef Remi mat to fit my grill, fired it up and in no time at all I had a plate full of beautifully barbequed vegetables and shrimp for my dinner. I am in awe at the cleanup time , I had no pots or pans in the kitchen, and it took me less than ten minutes to clean up the whole kitchen with just a minute of that for the GRILL MAT!

The Chef Remi Grill Mats are fully backed by a lifetime guarantee. They are available exclusively on [Amazon](#) for a retail price of \$14.95.
