

Foster's Yacht Services Emerges as the Best Yacht Repair Service in the Nation

Foster's Yacht Services, located in Lauderdale Marine Center in sunny South Florida. Specializing in fiberglass construction, full paint jobs, carpentry, & more

FORT LAUDERDALE, FLORIDA, USA, February 29, 2016 /EINPresswire.com/ -- Florida, February 28, 2016: Foster's Yacht Services has emerged as one of the best yacht repair services in the nation. The Fort Lauderdale-based [repair service](#) provider offers comprehensive yacht repair services covering all types of boats and yachts from 20-250 feet. The company has been providing its services for almost three decades, adding new repair services and facilities every year. With almost two dozen services on offer, the company has become one of the best and most comprehensive yacht repair provider in the entire country.

Range of Yacht Repair Services

Foster's Yacht Services was founded three decades ago and offers full-service program covering all

aspects of yacht repair and upgrades. As one of the best yacht repair service in the nation, it services a niche clientele that include some of the leading businessmen, entertainers and athletes from all across the world.

The range of services offered by the company include everything from fiberglass boat construction to boat repair to [boat painting](#), interior design, to aluminium boat repair and everything in between, including the engineering and instrument aspects. The company spokesperson claims, "We have emerged as the leading yacht repair service providers in the country because of our passion for pursuing excellence in luxury comfort. There's no job that our certified and experienced designers and technicians can't do."

He adds, "Our services don't just limit at upgrading and repairing your yacht, we can also help put top-notch captains, chefs, and relevant services to give luxury its full definition."

Whether it's revamping the entire boat, or adding luxury amenities including flat screen TVs or Jacuzzis, the company excels in meeting demands of all kinds. The spokesperson adds, "If you need something unique and new with your boat, Foster's is the best yacht repair service in the nation to choose."

AND GET THE JOB DONE RIGHT,
AND ON BUDGET.**

Yacht Design & Construction

Foster's Yacht Services constructs new boats, redesigns interiors and decorates yachts. The company uses AutoCAD systems to develop designs that meet the highest European Millwork standards. They redesign yachts, moving bulkheads, replacing cabinets, and fixtures to add more space. Interiors can be fully customized based on customer requirements.

The yacht services company also specializes in designing and building custom additions including fiberglass hard tops. "We develop ideas and options depending on your boat's design and share them with you. We will share information about the entire project with our client including the design, style, material, and everything including the final coat finish," added the spokesperson.

Marine Engine Repair & Maintenance

The company is also specializes in marine engine removal and repair, boat repair, tank pressure testing, marine electrical repair, yacht systems and hydraulics and other related repair and upgrade works. As one of the best yacht repair service in the nation, Foster's offers affordably priced maintenance work and engine removal jobs. "Our maintenance jobs ensure that your yacht performs in peak condition at all times. It also helps in prolonging the lifespan of your marine engine, thus saving you more in the long term," the company spokesperson added.
