

Skyline VIP Experience At EXHIBITORLive 2016 Focuses on Client Care

Leading trade show exhibit designer and producer will be demonstrating its latest products throughout the 3-day event at booths #1239 and #1138.

ST PAUL, MN, USA, February 26, 2016 /EINPresswire.com/ -- Skyline Exhibits is offering a VIP Experience at EXHIBITORLive 2016.

The VIP Experience promises an opportunity to take a break from the hustle and bustle of the trade show floor by being able to enjoy fine chocolates, naturally flavored sparkling water, special giveaways, and personal attention from Skyline representatives. The company will share tips and tricks for creating unique and powerful trade show exhibits and even has multiple scheduled demos planned for the show. The All-Access VIP Pass is available on the company blog website by clicking [here](#).

Skyline Exhibits will have two booths at EXHIBITORLive 2016. Booth #1239 and Booth #1138. Booth #1239 will feature the company's new Tablox™ modular table system, new LED arm lights that are the brightest in the industry and multiple exhibit systems to create a lounge experience in the middle of the trade show floor. Booth #1138 will feature live demos of WindScape® and Tablox™ every half an hour.

One of the items featured through Skyline's EXHIBITORLive exhibit will be integrating touch screen technology into the booth. Screens will feature multiple photo and video galleries and enable staffers to send photos and marketing materials directly from the exhibit to clients. Several of the product demos will be broadcast live on [Twitter](#) using Periscope. Skyline staff will be on hand to answer questions about exhibiting, host current and potential clients, and walk them through their electronic galleries showcasing exhibit design examples.

"Social media and technology make up a huge part of our everyday interactions now and we need to bring those forms of communication onto the trade show floor. Both of our booths and the demos at EXHIBITORLive will provide attendees with real-life examples of when and how to integrate today's technology into the trade show experience," explained [Sofia Troutman](#), Customer Engagement and Industry Relations Manager, Skyline Exhibits (www.skyline.com).

EXHIBITORLive takes place February 29-March 2, 2016 at Mandalay Bay Convention Center in Las Vegas, NV. EXHIBITORLive is the highest-rated training conference for trade show exhibit and event managers and marketers.

About Skyline Exhibits: Skyline Exhibits is North America's leading provider of trade show exhibits and display systems, offering high-quality products and services to meet the marketing needs of any business. Skyline Exhibits offers everything from complex island exhibits to simple but effective banner stands, and is the exclusive home of the innovative Skyline® WindScape® exhibit system.
