

# West Virginia Mesothelioma Victims Center Now Urges a Diagnosed Individual in West Virginia to Call Them about How to hire the Best Possible Mesothelioma Lawyers

*The West Virginia Mesothelioma Victims Center is urging a diagnosed person in West Virginia to not shortchange them self by hiring the wrong lawyer.*

NEW YORK, NEW YORK, USA, March 18, 2016 /EINPresswire.com/ -- According to the West Virginia Mesothelioma Victims Center, "We are offering to help a just diagnosed victim in West Virginia obtain on the spot access to the nation's most experienced and skilled mesothelioma attorneys with one call to 800-714-0303.

"These lawyers also make house calls and they have references from families in West Virginia who they have helped in the past. Why shortchange yourself out of hundreds of thousands of dollars or more by selecting an unqualified or less than experienced lawyer to assist with a mesothelioma compensation claim?

“

We also want to emphasize the mesothelioma lawyers we suggest are not only the nation's top mesothelioma compensation experts they also make house calls

"We also want to emphasize the mesothelioma lawyers we suggest are not only the nation's top mesothelioma compensation experts they also make house calls. In other words the attorneys we suggest will travel to the home of the diagnosed person with mesothelioma in West Virginia for a face to face conversation about how the person was exposed to asbestos. This specific information becomes the basis for a mesothelioma compensation claim as we would like to explain anytime at 800-714-0303."

According to the US Center for Disease Control the average age for a diagnosed victim of mesothelioma is 72 years old. Frequently victims of mesothelioma are initially misdiagnosed with pneumonia. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is attributable to exposure to asbestos.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

High risk work groups for exposure to asbestos in West Virginia include US Navy Veterans, power plant workers, shipyard workers, oil refinery workers, steel mill workers, coal miners, manufacturing, or industrial workers, plumbers, electricians, auto mechanics, machinists, miners, or construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

The West Virginia Mesothelioma Victims Center says, "We are urging a recently diagnosed person with mesothelioma in West Virginia or their family members to call us at 800-714-0303 before they hire a law firm to work on their mesothelioma compensation claim. As we would like to explain anytime if you do not have the nation's top mesothelioma lawyers chances are you will out on compensation. Please don't roll the dice on mesothelioma compensation."
