March 3, 2016 — [Safe-T-Ter-Tots](#), a company dedicated to supplying high quality [child safety](#) products, proudly announces that its highly secure child safety locks have been rated as a number one new release in Cabinet Locks and Straps at [Amazon.com](#).

Rated as the #1 New Release in the Cabinet Locks and Straps category for three consecutive days on February 14th, February 15th, and February 16th. Amazon highlighted this achievement by displaying a #1 New Release banner at the top of the product's page for all three days.

“We are proud that our Safe-T-Ter-Tot Child Safety Locks product has been recognized by Amazon as a #1 New Release in Cabinet Locks and Straps for three consecutive days in February, 2016,” said Catherine Anderson, Spokesperson for Safe-T-Ter-Tots. “It is validating to earn such a high honor for our innovative and high quality product.”

The innovative and multi-use child safety locks from Safe-T-Ter-Tots offer a whole new experience in child security and protection. The lock’s clever design allows it to fit and secure a wide variety of household fixtures including cabinet doors, pull-out drawers, microwave doors, heavy refrigerator doors, washer and dryer doors, toilet lids, and much more.

Installing the child safety lock is fast and easy with no tools or hardware required. Once installed, strong premium adhesive keeps the lock in place and adults are able to operate the lock conveniently with only one hand. The key features of the child safety locks include:

- Complete security— protects young children and babies without inconveniencing parents
- Easy installation – no tools or hardware required
- Simple one-hand use by adults
- Multi-use design works in many applications including flat surfaces and corners
- Easy to remove with no damage to surfaces

- Lifetime 100% money back guarantee
