LONDON, LONDON, UNITED KINGDOM, March 7, 2016
/EINPresswire.com/ -- Million Dollar Woman Live launches this summer

RELEASE DATE: February 2016

Targeted at businesswomen and aspiring female entrepreneurs, Million Dollar Woman (MDW) aims to prove anyone can make it. Speakers will share the practices, habits and mindset that led them to success. The event will include inspiring speakers from the US and the UK, who have grown Million Dollar businesses.

With only 11.4% of the UK millionaires

being female, and a fraction of that self-made, women have some catching up to do. At MDW we are passionate about nurturing the next generation of high-achieving women and we know they can't do it alone.

'No woman is an island'

Championing mentorship, coaching and community is at the heart of our message. Founder Yael Rose has struggled alone in business for nearly 19 years and is adamant that women are made aware of the wealth of support that's available. Learning from those who have accomplished what we are working to achieve is invaluable to ones' success.

Attendees will have a rare glimpse into our speakers' lives – What motivates them? How do they utilize their time and become more productive? What lessons have they learnt along the way? What mindset practices do they have? How important is looking after their body? How do they guard themselves from burn out? And more.

Speakers include Ingrid Vanderveldt - Dell's first ever former Entrepreneur-In-Residence and founder and chairman of Empowering a Billion Women by 2020 (EBW2020). Hilary Rushford, broke Broadway dancer turned Instagram biz & style sensation who's business reached a Million Dollar revenue last year. Dr Jane Cox is a human behavioural specialist, wealth psychology expert and ethno-psychologist who brings a unique blend of cutting-edge theoretical knowledge and real-world

pragmatic expertise. New York's 'Meditation Queen' Madeline Rinehart will open the day and a familiar news presenter will host a talk-show style Q&A to close.

This will be a great chance to get those amazing 'aha moments', network and meet other like-minded entrepreneurs. The event takes place in London City Hall on the 11th June and tickets are now available on the website. The link is on the website [MillionDollarWomanLive](#)
