

# Africa Oil Week showcases Africa's Governments, National Oil Companies, Licensing Agencies and Corporate players

*Highlights Africa's upstream world, Independents from around the world engaged in Africa.*

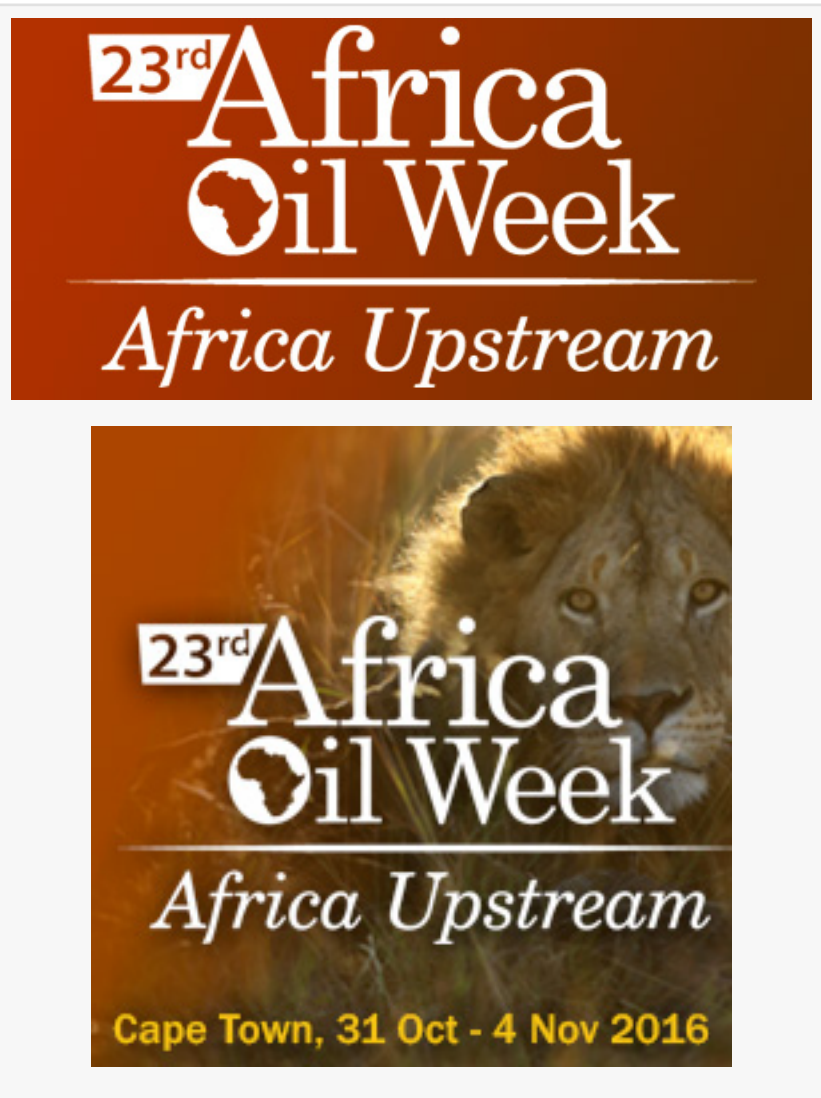

CAPE TOWN, SOUTH AFRICA, March 22, 2016 /EINPresswire.com/ -- Global Pacific & Partners with ITE Group will host the 23rd Annual Africa Oil Week/Africa Upstream 2016 Conference over 31st October- 4th November 2016, at the Cape Town International Convention Centre, South Africa, and we invite your support and participation to join us.

Africa Oil Week in 2016 highlights their upstream world, Independents from around the world engaged in Africa, the expanding Africa-wide gas-LNG and energy game, emerging unconventional ventures in shale and diverse hydrocarbons, the fast-growing class of "Born in Africa" companies, Africa's state oil firms and foreign national oil companies, leading exploration technologies, geoscience/technical ideas, local content policies and players, plus Young Professionals in Africa, with debate and discourse on Africa's oil and

gas future – these elements together now shaping Africa's vast hydrocarbon game, and with the service and supply industry deploying state-of-art E&P technologies to build the future for the oil/gas/energy industries from Cape-to-Cairo.

As numerous top-level executives in the global industry have oft-noted, the Africa Oil Week/Africa Upstream Conference stands apart from all other events as the leading meeting in or on Africa, and sits at the top of the global oil-gas calendar, allowing delegates unrivalled opportunities:

To meet with Africa's state oil officials, Ministers, plus senior executives, private oil players and

worldwide public listed oil-gas/energy companies

Acquire insight and knowledge from an outstanding program with 175 top-line speakers

Negotiate deals, investments and farm-in / farmout opportunities with corporates and state oil firms

Interface with over 40 Governments and participate in roadshow opportunities for emerging acreage/asset transactions

Discuss ventures with major oil/energy banking institutions, institutional oil-equity investors, project financiers, multilaterals and transaction advisors

Network with the growing service and supply industry operators found across Africa's oil and gas-LNG value chain

180 exhibitor companies, and over 1,250-plus senior executive delegates

Listen to the top corporate/state decision-makers, leading thinkers, analysts, financiers and policy-makers

Combine corporate interest with multiple five-star social occasions with peers – in breakfasts, luncheons, dinners, receptions, and after-hours
