How does it Work?

Fortizel is a Colostrum Extract, which is 40 times more powerful than Colostrum and which normalizes cell function, boosts the immune system and therefore stops cells mutating to disease or cancer. It was developed by Dr. Marco Prummer of The Netherlands who is the world expert on Colostrum.

To assist in illness prevention, an Affiliate Rewards Program has been set up to help reduce the cost of Fortizel for anyone who wants to live longer, without illness.
