

New! The Pope Francis 24K Gold Rose Presented by LovelsARose.com

LovelsARose.com Adds to Its Collection of Personalized Gifts

WARRENVILLE, ILLINOIS, USA, March 22, 2016 /EINPresswire.com/ -- In honor of Pope Francis, leader of the Roman Catholic Church, www.LovelsARose.com is proud to present the exclusive [Pope Francis Personalized 24K Gold Rose](#) with the pope's image on the flower petal. The white rose is a symbol of purity, honesty, and peace – all symbolic of Pope Francis.

www.LovelsARose.com pays tribute to Pope Francis, who has been noted for his humility, emphasis on God's mercy, concern for the poor, and commitment to interfaith dialogue. Born in Buenos, Argentina, he is the 266th and current Pope of the Roman Catholic Church, and Sovereign of the Vatican City. "We are very inspired by the words and actions of Pope Francis. It is a privilege to honor him," stated Sid Fey, CEO of Sid Fey Designs, home of www.LovelsARose.com.

www.LovelsARose.com, known for their custom, personalized gifts including gold roses with custom messages imprinted on the flower petals, also features a unique line of preserved, real orchids and lilies. The distinctive flowers are carefully selected and picked at the peak of their beauty, then preserved and trimmed, or dipped entirely, in 24k gold, platinum, or silver. The roses are available in an array of colors to suit every occasion.

Capodimonte porcelain flowers and special occasion shadow boxes are additional finds at LovelsARose. The shadow boxes display the gold roses or orchids and can be customized to deliver a special message to celebrate a love relationship, Mother's Day, [anniversary](#), wedding, birthday, Christmas, Valentine's Day or even the new baby in the family. Laser-engraved onto bronze plates, messages of love and favorite photos adorn the rich, velvet lined, shadow boxes.

www.LovelsARose.com is also home to [Birthstone & Engraved Family Trees](#). Family names and birth dates are etched in brass or pewter, or displayed around three-dimensional, artfully created wrought iron trees. Vibrant birthstones then become the treasures decorating the branches. The family trees are given to parents, grandparents, husbands, wives, and employers.

"Our mission has been, is, and will be to celebrate family and relationships. We love creating new gifts that give our customers the opportunity to honor their loved ones," concluded Fey.
