We should not buy into terrorists self labeling as Muslims, they are terrorists and need to be punished for disrupting the societal equilibrium

Mike Ghouse

We condemn all terrorism unconditionally, and our hearts go out to the families of the victims and their loved ones. We pray with our hearts, souls and minds, asking God to guide us all to restore peace and sanity.
We the people, of different faiths, races, and ethnicities must come together and remain united against terrorist who want to tear us apart.

American Muslims condemn these violent crimes and urge the law enforcement agencies to track down all possible links

to these terrorists and not stop until we find each one of them.

American Muslim Institution is the proactive voice for Muslims in America and we are committed to contribute towards building pluralistic societies.
