

Finnish Army and Czech Army join the Mortar Systems Technology conference

SMi Group is delighted to welcome Lieutenant Colonel Mika Tauru (Finnish Army) and Lieutenant Colonel Norbert Zipaj (Czech Army) as the latest speakers

LONDON, UK, UNITED KINGDOM, April 6, 2016 /EINPresswire.com/ -- The inaugural [Mortar Systems Technology](#) conference will bring together opinion leaders from across the world to discuss the matters that truly matter in the realm of Mortar Systems.

Join us today and network with key speakers including senior military personnel and industry experts from the UK:

- Lieutenant Colonel Mika Tauru, Deputy Director of Artillery, Army Command, Finland
- Lieutenant Colonel Norbert Zipaj, Deputy Chief of Artillery, Czech Army

- Lieutenant Colonel Adam Clarke, Commanding Officer, Support Weapons School, British Army
- Major Nicholas French, Commanding Officer, B Company, 2 PARA, British Army
- Major Ben Jones, Chief Instructor of the Mortar Division, Support Weapons School, British Army
- Major Tony Dixon, OC Strike Coy, British Army
- Dr Hugh Goyder, Senior Lecturer, Cranfield University
- Paddy Little, Technical Director, Cervus Defence

This must-attend conference will bring together opinion leaders from across the world to discuss the latest advances in the mortar field and [best practices for mortar development](#).

Attendees will also get the unique opportunity to explore critical topics such as the digitalisation of mortar systems and discuss how to effectively implement training drills to optimise preparation for the field.

- Hear from a diverse range of speakers from the UK, USA, Canada, Czech Republic, Sweden, Denmark and Finland
- Discuss best practices in the training mortar teams and commanders
- Deliberate the question of countering enemy mortar teams
- Examine emerging technologies that will enhance precision, range and lethality
- Network with key players in the industry
