

FindADoc's Canada Launch - A major Success

FindADoc's Expansion into Canada judged a resounding Success

SHERBORN, MA, USA, April 8, 2016 /EINPresswire.com/ -- [FindADoc's](#) recent expansion into Canada has been judged on all accounts to be a resounding success. FindADoc is the nation's longest established Internet resource for finding Doctors, Dentists and Chiropractors on the Web. The FindADoc database includes well over 1.25 million doctors in the USA and now over 150,000 Health Care Professionals in Canada. These doctors and dentists are listed by geographical location and specialty and are rated using a proprietary FindaDoc algorithm.

FindADoc is available on the website FindADoc.com as well as on mobile platforms, where GPS enabled searches can be performed on iPhone, iPad or Android apps in the USA and in Canada.

The BLUE SPOT on the FindADoc apps automatically locates the Street, Town or City and allows searches for doctors of any specialty in the area. Clicking the phone icon connects directly to the doctor's office!! Using the [eScheduler](#) feature (see below) as an option, locates specific doctors with available appointments!!

FindADoc*

Since its launch in Canada last February, traffic has literally gone through the roof. Searches for Canadian Doctors, Dentists and Chiropractors in March was 62.5 percent of total, exceeding the 22 percent for the USA. This in part reflects less competition in Canada, which has been largely ignored by other US based Healthcare resource providers. However, it is also due FindADoc's meticulous attention to providing Canadian potential patients with exactly what they want.

FindADoc has several UNIQUE features. eSCHEDULER - a web-based tool to help Dentists, Physicians, Surgeons and Chiropractors fill unexpected gaps in their Schedule, including late cancellations.

The complementary feature, iSTANDBY, allows patients to find local doctors with available last minute appointments on their Scheduler - doctors have an option to provide HUGE DISCOUNTS!!!

FindADoc also includes DOC FRIEND. This UNIQUE tool allows Doctor to Doctor connectivity. Any one of 1.5 million doctors can track and connect with colleagues easily found within the massive database. It has been described as 'Doc-to-Doc LinkedIn on Steroids!' Any Doctor can connect with any other Doc on FindADoc.

[FINDADOC INTERNATIONAL](#) is yet another feature, unique to FindADoc, comprising over 15,000 International Hospitals including in the USA and Canada. This is useful for travelers and medical tourists.

The JOBS SEARCH FOR DOCS feature puts doctors looking for permanent and locum positions in touch with Physician Recruitment Companies.

Patients can search for DOCS TREATING HEP C directly from the Home Page. Several new very expensive, but effective drugs are now available to cure this disease. This feature puts patients directly in touch with the doctors in their area with expertise to treat this disease. As with several other features, this service is unique to FindADoc. The Healthcare Resource accepts sponsorship from companies and provides links directly to their websites.

FindADoc's unparalleled versatility makes FINDADOC 'More Than Just The Place to Find a Doc!!' The service provided by this resourceful website has been enjoyed for almost 25 years by millions of users in the USA. It is now also available in CANADA!!!!

FindADoc provides a low cost subscription service, FEATURED DOCS that allows subscribers to be displayed highlighted, at the TOP of local searches. Their Profile Pages are also linked to their websites. A service for providing Professionally Produced Videos is available. These Videos are displayed directly on the profile page and can also be hooked up to YouTube.
