Excellency, Mr. President,

I have the honor and it is my duty, on  
behalf of our political party, RDI-Rwanda  
Rwiza, of addressing to your Excellency,  
here attached the memorandum

President of the Party RDI-Rwanda Rwiza

concerning the serious question of the Rwandan refugees as it stands today.

Our main objective, your Excellency, is to draw your personal attention to the compelling necessity to find an appropriate solution, before the end of 2016, to this serious and cyclical situation of the Rwandan refugees that has lasted more than half a century, since 1959.

It is important to emphasize the fact that the Rwandan refugees will never massively and voluntarily return to their country of origin without a preliminary agreement based on a pluralistic transitional government to prepare the way for a major political change.

It is also our duty, your Excellency, as a political party opposed to your dictatorial regime, to warn you on a risk of unnecessary explosion of a new armed conflict, aiming to the repatriation of the Rwandans refugees, as it has been the case in 1990, when your Rwandan Patriotic Front, RPF, imposed a war on Rwanda with the assistance of the Ugandan government that allowed your army to

take power in our country in July 1994.

Hoping that your government will take all appropriate measures, in order to find a peaceful solution to the above mentioned problem of the Rwandan refugees, please accept, your Excellency, our highest consideration.
