

# Business Consultant Bonnie Prebula Returns to CUTV News Radio

HONOLULU, HAWAII, USA, April 12, 2016 /EINPresswire.com/ -- No matter what your abilities, talents or determination, starting your own business is always a difficult process, it requires affirmation and positivity, but we can't always be our own cheerleader. Any aspiring entrepreneur can benefit from the guidance and encouragement of a business consultant.

Bonnie Prebula is the founder of the CRYSTAL CAVE & Kyanite Lounge in Honolulu. Prior to CRYSTAL CAVE, however, Bonnie enjoyed an accomplished career, excelling as a woman in business when the very idea was virtually unheard of. Today Bonnie is a consultant for business women and start-ups and other business women's endeavors.

"I suppose I've always been a

courageous person – I was born with strong intention – but I most enjoy helping others find their own courage," says Bonnie. "It's not easy to put yourself out there but I've done that."

Bonnie started the first woman-owned pharmacy chain in Hawaii. Money she earned she put right back into the business to expand it. Eventually Bonnie owned five different pharmacies.

Today, Bonnie works with high vibrational healers and readers to build their practice.

"I tap into the things that serve me and bring it into the reality and produce it for myself or for other people," says Bonnie. "Sometimes I have a better picture and vision for the people I consult with than they've been able to get for themselves. I'm able to transfer it to them. It resonates with them because that's where they want to be."

According to Bonnie, success begins with monitoring self-talk.

"You have to lift your vision. You're supported all the way by what you declare for yourself," says Bonnie. "Where your intention goes, the energy flows so don't pile affirmations on top of garbage. Tell yourself occasionally 'I truly love myself unconditionally.'"

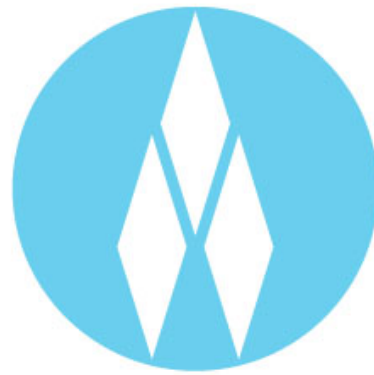

CUTV News Radio will feature Bonnie Prebula in an interview with Jim Masters on April 14th and April 28th at 3pm EDT and with Doug Llewelyn on April 21st and May 5th at 3pm EDT.
