

# Standav Corp Named in CIOReview's 20 Most Promising Salesforce Solution Providers

DALLAS, TX, UNITED STATES, February 1, 2016 /EINPresswire.com/ -- Standav Corp has been named amongst the 20 Most Promising Salesforce Solution Providers by CIOReview. The list includes leading Salesforce Partners such as Apttus and other notable software and services vendors in the industry.

The CIOReview special edition list is published annually. The companies named are carefully selected by a panel of CIOs, CEOs and analysts and prove to be the leading vendors providing key technology solutions & services for Salesforce Products.

Standav, a Systems Integration

Company, is a unique service provider in the market. Standav's in-house experts are on the forefront of innovative solutions geared towards Salesforce-SaaS technology integration platforms. Standav offers full transparency throughout the implementation process, giving their customers a clear picture of their organization's needs and a path to operate efficiently. Standav customers are trained to become fully independent and maximize their use of Salesforce technologies in order to grow their business.

“

Trust your instincts, put yourself in the customer's shoes, deliver more than expected!”

*Harsha Reddy, President*

“Our SAAS expertise has helped position us as a pioneer in the native Salesforce ecosystem and we want to leverage that to grow into the pre-eminent consult, implement and integrate partner!” - Harsha Reddy, President of Standav Corp.

Standav has been recognized as one of the most reliable IT services companies in the country. They were named One of The Fastest-Growing Private U.S. Companies two years in a row by Inc. 5000 (2014 and 2015).

Standav is a Certified Salesforce partner with comprehensive capabilities, which continues to add value to the industry by enabling their customers to increase productivity and focus on business critical issues. Standav will continue to develop innovative solutions and services to meet the industry's rapidly growing needs.

Standav Corp was founded in 2009, with HQ located in Dallas, TX and offices in the Bay Area, CA with a Technology Centre located in Hyderabad India. Think Cloud. Think Standav!
