Punch TV Studios*

With an Initial Public Offering (IPO) of \$50 million in stock at only \$1 per share, early investors can get in on the ground floor and purchase stock directly from the company today by visiting the Punch TV Studios' website and clicking on the Invest tab at the top of the page.

“We are excited to be able to create a tremendous, dynamic opportunity for our community,” explained Joseph Collins, CEO of Punch TV Studios. “We can go directly to the community for funding. Now the profits that an investment

banker would make from our initial stock offering are passed on to our initial shareholders. I want to personally invite the community to become stockholders in Punch TV Studios.”

Even with a minimal investment, early investors can become part owners in Punch TV Studios and join in the excitement and growth of the groundbreaking multimedia company. On June 19, 2016, the stock will become publicly traded and investors from across the nation will begin purchasing stock in Punch TV Studios. Until then the IPO stock is only available through the company's website, providing anyone the opportunity to join with Punch TV Studios and be a part of its expansion and growth.

Punch TV Studios is allocating up to \$10 million from the stock offering to produce 100 feature films across a wide range of genres and subject matter. These projects will empower up-and-coming filmmakers to bring their ideas to completion and create jobs and economic growth in the communities where the films are made.
