Inaugural Exhibit By David Wiener

PARK CITY, UTAH, USA, April 18, 2016 /EINPresswire.com/ -- Park City, UT—April 18, 2016 - Photographic Constructs, an exhibition featuring the recent fine art works by David Wiener, an internationally recognized photographer, designer, and entrepreneur is currently on display at select Ferrari galleries. David's love for photography emerged back in the 70's when, at 16, he was one of the youngest professional photographers in America, shooting the exciting worlds of Formula One, Indy, The Americas Cup, and the US Open.

Over 30+ years, David has created art in various mediums and has been featured in Fortune Magazine, Newsweek, Forbes, Yachting, Motor Trends, Robb Report, Maxim, Time-Life Books, PBS, and numerous other international media. His creations are in the private collections of Jean Todt, Michael Schumacher, Peter Gabriel, Kimi Räikkönen, Peter Frampton, Sunday Dutt, Alan Parsons, Pat Metheny, Ferrari SpA, the Mandarin Oriental, and many more. Recently, David has been commissioned to produce 15 images that will be 92" x 46" to be installed in the corporate headquarters of a Salt Lake City based technology company.

Ferrari Series

Combining his love of photography with his passion for high-tech design, David has created a series of limited edition prints he describes as Photographic Constructs. This work exposes the viewer to new ways of seeing technology, architecture, nature, and many other subjects through a unique and creative lens.

Each piece in this series is custom printed, signed, and numbered, using the finest archival inks and museum paper available. Each series is limited to 7 prints which are shipped mounted ready for framing or can be framed upon request.

“Creating Photographic Constructs has allowed me to capture elements within various settings and use my vision to express a novel perspective to the viewer, challenging them to realize how beautiful detail taken out of context can be.”

One of David’s trademarks as an artist is his keen sense of style, elegance, and timelessness. His design talents have been used by Nike, Columbia, the U.S. Ski Team, Deer Valley Ski Resort, Ferrari, and other high profile clients.
