Vital Tips for a diagnosed person in Kansas when it comes to hiring a mesothelioma attorney from the Kansas Mesothelioma Victims Center:

- #1. "Do not hire a personal injury attorney in Kansas if they do not do mesothelioma compensation claims on a full time basis.
- #2. "If the specific lawyer you are talking to does not have family member references that will verify a multi-million dollar settlement within the last twelve months please call us at 800-714-0303 so we can provide you with the names of lawyers who do have these types of references.
- #3. "Please do not fall for an Internet ad that suggests 'no lawsuit needed,' a 'federally sponsored mesothelioma claims center' or 'easy money' because none of this nonsense is true. The mesothelioma compensation process is contested which means lawyers for the asbestos trusts, or employers do not want to give a

diagnosed person any money, or as little money as possible. It is for this reason a person diagnosed with mesothelioma in Kansas must have the nation's most experienced mesothelioma attorneys."
