

CadmiumCD Named SIIA Business Technology CODiE Award Finalist for Best Event Management Software

CadmiumCD earns prestigious industry recognition

WASHINGTON, DC, UNITED STATES, April 18, 2016 /EINPresswire.com/ -- WASHINGTON (April 6, 2016) CadmiumCD, [creators of eventScribe](#), [Abstract Scorecard](#), and [Conference Harvester](#) today announced that the CadmiumCD platform was named a finalist for the 2016 SIIA CODiE Awards in the Best Event Management Software category. Finalists represent the information industry's best products, technologies, and services in the software, content and business technology.

The SIIA CODiE Awards are the premier awards for the software and information

industries, and have been recognizing product excellence for over 30 years. The awards offer 91 categories that are organized by industry focus of education technology and business technology. CadmiumCD was honored as one of 215 finalists across the 62 business technology categories.

“

We are happy to recognize them for their great contributions and impact they are making...

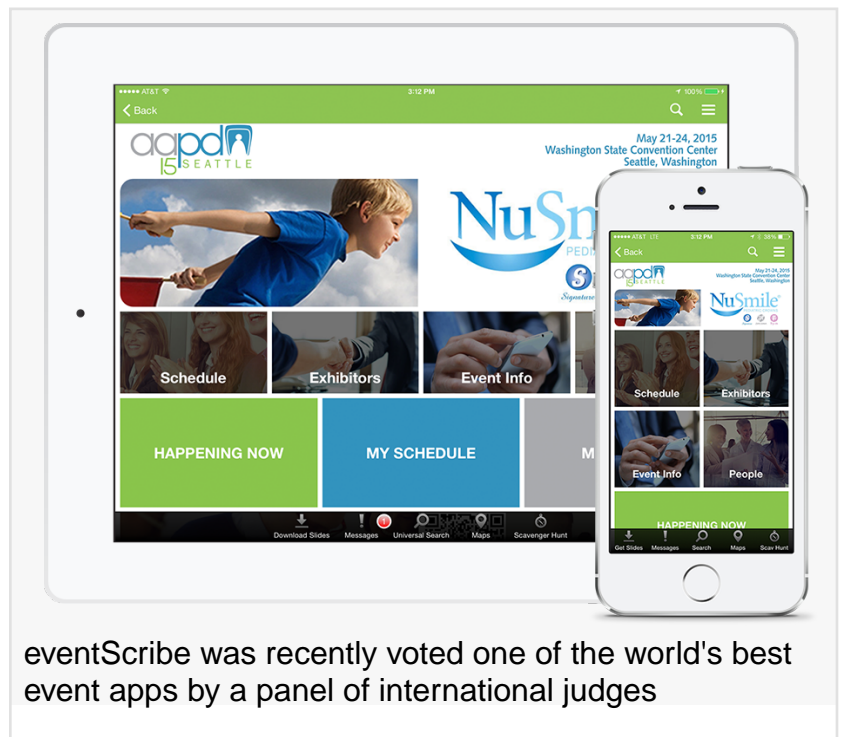

Ken Wasch, President of SIIA

“I am amazed by the level of innovation and creativity of the products that have been selected as this year's CODiE Award finalists. We are happy to recognize them for their great contributions and impact they are making on the software, content and business technology industries,” said Ken Wasch, President of SIIA.

CadmiumCD has been developing [solutions for conference organizers](#) for nearly 16 years. Their products can be used

separately to collect and review submissions, manage speaker and exhibitor data, plan and manage trade shows and conferences, and provide exceptional educational experiences to attendees. Together, these products make up a powerful platform that simplify the process of planning and managing events and meetings.

“We are honored to be recognized by SIIA for our contributions to the information industry,” said Michelle Wyatt, CEO and co-founder of CadmiumCD. “We’ve worked hard to make the transfer of

eventScribe was recently voted one of the world's best event apps by a panel of international judges

data between conference organizers and their various stakeholders simple and stress-free. Being recognized as a CODiE awards finalist reminds us why we continue to work with clients to develop our products.”

The SIIA CODiE Awards are the industry's only peer-reviewed awards program. The first round review of all nominees is conducted by software and business technology executives with considerable industry expertise, including members of the industry, analysts, media, bloggers, bankers and investors. The judges are responsible for selecting the CODiE Awards finalists. SIIA members then vote on the finalist products and the scores from both rounds are tabulated to select the winners. Winners will be announced during a [virtual award ceremony](#) on May 18. Details about each finalist are listed at <http://www.sii.net/codie/Finalists>

About the SIIA CODiE™ Awards
