

Defence Exports 2016: Global updates on export control procedures

Export control experts will meet in Amsterdam to discuss changes to U.S. and European export controls including updates from long-standing and recent EU members

AMSTERDAM, NETHERLANDS, April 20, 2016 /EINPresswire.com/ -- After the outstanding success of last year's event, Europe's Leading Arms Export Controls conference, [Defence Exports 2016](#), returns to Amsterdam to bring together international trade lawyers, Government officials, trade compliance consultants and defence-industry export control professionals from across the world to discuss the latest regulatory updates on international export controls.

Registration to the conference is now open. For those interested there is currently an early bird discount of £300 until 31st May. The event's official website is www.defence-exports.com/ein

SMI's 11th Annual Conference on...

Defence Exports 2016

Defence Exports 2016 will provide crucial ITAR, ECR, EAR and OFAC updates as well as changes to national European export controls from long-standing EU members, recent members as well as non-EU national updates. Alongside the elite panel of government speakers, senior international trade compliance professionals will discuss the key challenges in compliance and topics include cyber security and export violations, electronic data services such as cloud and how to comply, global trade compliance programmes and self-disclosure.

“

Defence Exports 2016 will provide crucial ITAR, ECR, EAR and OFAC updates as well as changes to national European export controls from long-standing and recent EU members, and non-EU national updates

SMi Group

Gary Stanley, President, Global Legal Services: “It is with great pleasure that I invite you to participate in the 11th annual Defence Exports Conference. This meeting encourages deep discussion to discuss how export controls amendments will impact industry and wither these changes will provide potential solutions to the challenges faced. We

have invited only the most senior and well respected directors of arms control departments and international trade compliance professionals...”

SMI are delighted to announce Kevin J. Wolf, Assistant Secretary of Commerce for Export Administration, U.S. Department of Commerce, will be presenting on Day One of the conference on “How U.S. Export Control Reform and Re-Export Considerations Will Impact Defence Trade”. In his very timely presentation Mr. Wolf will discuss ECR background and status; BIS authorisations for re-exporting 600 series items; Framework for controlling 600 series items; Re-exporting items under the EAR. For further information on this presentation please visit www.defence-exports.com/ein
