

# D. FRANCISCO Releases Modern Dance / Opera / Pop Fusion Single & Music Video "I Want Ya"

*For fans of Ricky Martin, Julio Iglesias, Josh Groban and Andrea Bocelli.*

LOS ANGELES, CALIFORNIA, UNITED STATES, April 21, 2016  
/EINPresswire.com/ -- Multi-Genre Singer / Songwriter [D. FRANCISCO](#) is setting to explode onto the Pop / Dance Scene with his debut single and music video, "I Want Ya". Melding classical operatic vocal styling with upbeat Latin-Pop Lyrics and a modern dance energy, this ebullient track recalls the vibrance of the 1999 Latin-Pop explosion led by Ricky Martin and Julio Iglesias, with an elegant twist reminiscent of Josh Groban and Andrea Bocelli.

The Latin-Pop explosion of the late 90's was a solid shot-in-the-arm for audiences all over. This eclectic and energetic genre was finally getting it's due, thanks in part to artists like Ricky Martin and

Julio Iglesias. Fast forward to 2016, and we present to you D. FRANCISCO and his new single "I Want Ya". It has all of the dance energy of the best Latin-Pop, but also incorporates twists reminiscent of more classical artists such as Josh Groban and Andrea Bocelli.

While so many new artists create much hype yet have little substance to back it up, D. FRANCISCO has spent a lifetime perfecting his craft behind-the-scenes. His background consists of years of diligent training; starting with private instrumental lessons, moving to touring internationally with the celebrated Phoenix Boys Choir, and culminating with an opera internship in Rome, Italy.

Using these skills as a solid foundation, he has turned his attention to making his own music, with his own twist. Not limited to any one genre, D. FRANCISCO pulls from Pop, Latin, Opera, and even elements of EDM. It's all about the song and whatever fits. For his debut single, he's pulling out all of the stops - "I Want Ya" jukes & jives, and overall has an arc of prolific musicianship that spans front to back! Plus, but he's also dropping versions in both English and Spanish!

The "I Want Ya" music video is a sizzling number that heats up quick, and burns hot until the very end. It's set in a darkened club with a group of high rollers seated around a small table, and they're playing

a very big game of poker. Chips and dollars abound - it's clear that the stakes are high. As D. FRANCISCO and his band light up the stage, a buxom new participant, dressed in all white, enters the match: Ana Carla Sinclair. Known as a contestant on The Voice Mexico, she takes a seat, portraying quite the foil to the sultry hostess and attending waitress, dressed in a sizzling black and red outfit, played by renowned dancer Nayara Nuñez.

As the action ensues, a coy game of eye contact and knowing glances are exchanged by D. FRANCISCO, Nayara, and Ana, although it's unclear exactly who is on which side. Eventually, Ana runs the table with the supposed "pros" while Nayara explodes onstage with her brilliant dance. Though she may have a furtive plan in place, D. FRANCISCO discreetly disarms her, and executes a plan of his own on the way out the door!

#### About D.FRANCISCO

Multi-genre singer/songwriter D. FRANCISCO is a true artist who has successfully melded old-world charm with vivacious Latin-Pop. As opposed to the trend-driven experiences of most artists his age, D. FRANCISCO has honed his craft through years of diligent training and commitment. From his early instrumental lessons and exposure to opera and symphony; through touring with the celebrated Phoenix Boys Choir; private and undergraduate vocal studies culminating in an opera internship in Rome, Italy; and finally additional vocal training with the eminent Seth Riggs, D. FRANCISCO has created a proficient foundation that is reflected in his stunning and unique merging of Operatic-Pop, Latin-Pop, and EDM.
