

Auto/Mate Releases Free eBook: The Auto Dealer's 10-Step Guide to Using Mobile Tablets in Service, Sales and F&I

ALBANY, NY, UNITED STATES, April 25, 2016 /EINPresswire.com/ -- [Auto/Mate Dealership Systems](#) announced today that it is releasing a [free eBook for download](#), titled The Auto Dealer's 10-Step Guide to Using Mobile Tablets in Service, Sales and F&I. The eBook is designed to guide auto dealers through the process of selecting, implementing and using mobile tablets in dealerships.

"Many dealers don't realize all the steps involved and various considerations that accompany the transition to mobile tablets," said Mike Esposito, President and CEO. "We are frequently asked about how mobile tablets work with our DMS and which tablets are best. This guide is designed to answer every question that dealers have, including the ones they don't know yet, regarding the benefits and how-tos of using mobile tablets."

The eBook gives general guidelines and is dealership management system (DMS) agnostic, so it will be useful for every dealer regardless of which DMS they use.

The eBook gives a detailed step-by-step process of how to implement mobile tablets, from consideration to execution. Dealers will learn the advantages of using mobile tablets in sales, service and F&I; as well as which processes to use them for.

The Auto Dealer's 10-Step Guide to Using Mobile Tablets in Sales, Service and F&I Table of Contents includes:

- 1) Perform a Needs Analysis
- 2) Understand How Tablets Work With Your DMS
- 3) Choose a Mobile Tablet Platform
- 4) Upgrade Infrastructure
- 5) Adopt Mobile Tablets in the Service Department
- 6) Consider Design Updates to Your Service Lane
- 7) Adopt Mobile Tablets in Your Sales Department
- 8) Adopt Mobile Tablets in Your F&I Department
- 9) Training and Education
- 10) Maintain Your Mobile Tablets

The eBook is free to auto industry personnel, and can be downloaded at <http://www.automate.com/resources/ebooks>
