

lebua Hotels & Resorts announces the opening of lebua Lucknow, India

BANGKOK, THAILAND, April 22, 2016 /EINPresswire.com/ -- lebua Hotels and Resorts, the Bangkok based luxury hotel management company, has expanded its portfolio with the opening of its latest luxury hotel [lebua Lucknow](#), in the capital city of Uttar Pradesh, on 25th April, 2016. The property marks the brand's third hotel in the country, joining lebua Resort, Jaipur and lebua Lodge at Amer, Jaipur.

Located in central Lucknow, one of the three cities that form the Uttar Pradesh Heritage Arc, the lebua Lucknow's 41 rooms and suites marries the quintessential Lakhnavi royal heritage of living spaces that open onto courtyards and terraces, with the Art Deco style of architecture fashionable in the first half of the 20th century.

Conceptualized as sprawling traditional bungalows, the Executive, Deluxe and Luxury Rooms and lebua Suites range in size from 180 to 500 square feet each. All rooms and suites are non-smoking, air-conditioned and have a balcony or terrace, in addition to complimentary Wi-Fi, satellite & cable TV, coffee/tea making facilities, an in-room safe and bathtub. The property is easily accessible, being just 14 kilometers away from both

international and domestic airports; the city itself being just over an hour's flight from New Delhi.

Other facilities include a swimming & plunge pool; the traditional Indian restaurant AZRAK, presenting cuisine from the royal courts of India; the contemporary Italian restaurant 1936, the first of its kind in the city; The Lounge bar, the only bar in town; the Central Pavilion – Sehen, located in the courtyard, exclusively for resident guests; in addition to Khema for an exclusively unique dining experience, as well as in-room dining. The Baradari Ballroom accommodates up to 225 guests, while a fully equipped business center and meeting facilities assure that work carries on uninterrupted.

Where better to experience the fabled hospitality of this legendary city of Nawabs, the cultural capital of north India, than at the luxurious new lebua Lucknow?
