

Earth Day Celebration at Tapti Valley International School

A Go-Green Activity was exhibited by the students

SURAT, GUJARAT, INDIA, April 23, 2016 /EINPresswire.com/ -- Surat, April, 2016: "Let's join hands on Earth Day to make our Earth a better place to live in" with this thought, the morning at TAPTI VALLEY INTERNATIONAL SCHOOL was reverberated with excitement and enthusiasm of their students who were all geared up to create awareness on environment thus celebrating the occasion of EARTH DAY. The students were sensitized about the importance of saving environment during a special assembly addressed by their Science Teachers followed by a dance performance which enthralled the on lookers, depicting the love for their Mother Earth. The main aim of the event

The students were sensitized about the importance of saving environment during a special assembly addressed by their Science Teachers followed by a dance performance which enthralled the on lookers, depicting the love for their Mother Earth

was to motivate and spread awareness among the students on some of the ways to save MOTHER EARTH. A Go-Green Activity was exhibited by the students and staff of the school where they were given hands on practice for tree plantation and waste management in the school campus. As Tapti Valley works with a mission of fostering values of service and social responsibility, a fund was raised by the students and staff which was given in the form of helpage to the special children. 'The Earth does not belong to us, we belong to the earth.' That was the feeling in every Taptians heart for our Mother Earth.
