HOLLYWOOD, CA, USA, April 25, 2016
/EINPresswire.com/ -- For Immediate Release:

(Hollywood CA)
The Top 10 [Web Series](#) screening at [New Media](#) Film Festival Los Angeles

Celebrating witty episodic online stories that were creatively made on a budget.

The 7th annual New Media Film Festival celebrates the explosion of web series online through its Web Series entry category. Since the first webisode in 1995, the art of producing television for the web has proven to be a popular outlet for writers who may have found broadcast television a difficult platform to access. Now, storytellers with limited budgets are constantly creating content that is being honored by film authorities such as www.NewMediaFilmFestival.com with limited restrictions, creative Web Series producers get to explore various themes and concepts that anyone with internet access can view. The New Media Film Festival was an early adopter of this form of media and remains a proud supporter of Web Series Content Creators. The top 5 Web Series that will screen at the Festival on June 7-9, 2016 at The Landmark Theater 10850 W Pico Blvd. Los Angeles CA 90064 are:
