

Author Randi M Sherman Announces the Release of Her New Book ‘The Lobby’

‘The Lobby’ Offers a Funny and Entertaining Glimpse at the Colorful Characters who Pass Through the Lobby of an Upscale San Francisco Hotel

SAN FRANCISCO, CALIFORNIA , USA, April 25, 2016 /EINPresswire.com/ -- Randi M Sherman, an author who lives in California’s scenic wine country, is pleased to announce the release of her new book, [The Lobby](#). As Sherman noted, The Lobby provides readers with a hilarious look at the many interesting people who pass through The Shipley Hotel in San Francisco.

The upscale hotel, complete with its perky staff, is home to both long-term residents and colorful guests. No matter how long anybody stays at The Shipley Hotel, they will spend time in the lobby.

Describing it as “San Francisco’s juiciest hotel lobby,” Sherman said it is the perfect place to watch the comings and goings and the often comedic interactions of the attentive staff with the hotel’s guests. The Lobby, which can be purchased through Sherman’s website as well as [Amazon](#), features over 50 stories that take place in one 24-hour period.

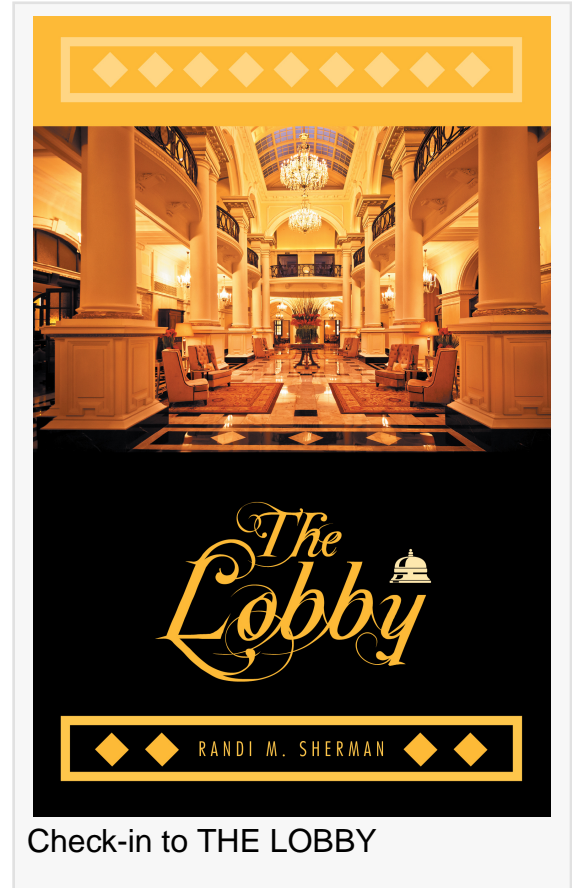

As Sherman noted, readers will find that most of the characters featured in The Lobby will seem quite familiar. As they are reading, people will feel like they have walked through the polished brass revolving door of The Shipley Hotel and are now part of the eclectic atmosphere and residents. “Careful, you might just encounter a version of yourself among the ornate balconies and intricate woodwork,” she said.

Even though The Lobby was only recently released, it is already getting great reviews on Amazon.com, as well as Goodreads, Google and Barnes and Noble. In addition, Sherman noted, Readers Favorite gave it a five star rating.

“Midwest Book Review highly recommended ‘The Lobby’ as ‘an impressive, deftly crafted piece of fiction that will prove to be a riveting read from beginning to end.’ And The Lobby has been awarded as Wild Card Runner-up at the Los Angeles Book Festival,” she said.

The Lobby is now available in ebook and hardcopy forms at all favorite online booksellers, and more information is available at Sherman’s website. The ISBN code for the paperback is 978-1-4062-7811-6 and it retails for \$15.49.
