/EINPresswire.com/ -- [GSF Mortgage](http://GSFMortgage.com) is

honored to be recognized with three awards at the Milwaukee Journal Sentinel's Top Workplace breakfast. The company ranked as the number one employer in Southeastern Wisconsin in the small company category (149 or fewer employees). This earned the company the Best in Class award. GSF Mortgage also brought home another special award: New Ideas. GSF Mortgage encourages new ideas and many of the company's policies and procedures are shaped by employee's input, ideas or suggestions.

“

I am so very proud of our team here at GSF Mortgage. For any business to be successful you need great people and a mission - we have both.

President Chad Jampedro

“I would like to congratulate all of the Top Workplace winners. I am so very proud of our team here at GSF Mortgage. The group of individuals that are currently employed at GSF are the best collection of mortgage professionals that I have ever worked with. Apparently the Journal Sentinel agrees with me by presenting GSF with three awards. For any business to be successful you need great people and a mission - we have

both,” says President Chad Jampedro.

The Milwaukee Journal Sentinel partnered with Workplace Dynamics and surveyed Southeastern Wisconsin companies based on company alignment, connection, execution, work, management and pay and benefits. Employers are then ranked in three business size categories: small, midsize and large.

“I like the fact that most of our employees have been in the industry for a long time. We just know each other and understand the business. A lot of people have family members who work in their branch locations,” says General Manager Debbie Beier.
